Other Important Information

All Dial-A-Ride and Paratransit is a shared ride curb to curb service. Our bus will pick you up at the end of your drive and deliver you to your destination. If you need assistance getting to/from the bus, please make arrangements to have an aide travel with you. Your aide travels with you for free.

Times listed are the time transportation is available. For example if transportation is available 8am-4pm, pickup is *generally* not available before 8am and service ends at 4pm. Therefore, if an appointment is at 4pm or *ENDS* after 4pm, you will need to find your own transportation home.

Making a reservation: 3 or more business days is appreciated, but no later than 3pm the business day before your desired transportation. As some zip codes are in more than one county, please remember pick up address is limited to Schuyler County.

Please give your appointment time. Pick up time is determined by Schuyler County Transit. As it's shared ride service, pick up times vary. If you decide the pick up time doesn't work for you, you may cancel the reservation at the time of confirmation without penalty.

All fares are cash only & exact change.

If your transportation is paid for by a human service agency, you must advise us at the time of reservation or you will be required to pay for the transportation at time of service.
